

ATTENTION PARENTS!

Mothers' Helpers, a local non-profit group, is looking for donated baby items.

We are dedicated to helping new moms who need baby items to care for their babies. **Mothers' Helpers** accepts new or gently used baby items appropriate for 0-12 months. Anything you think a new mom can use for her infant is welcome! We aren't repairmen, so for safety reasons we can't accept anything needing repairs. We can arrange pick up or have you drop stuff off in Santa Barbara, Solvang and Santa Maria. Donations are tax deductible!

If you have things to donate you can call **(805) 450-1010**, or visit our website MothersHelpers.org for information. Items we need include:
